Volume XIX, Issue 2
June 2025

Abstract
This bibliography contains journal articles, book chapters, books, edited volumes, theses, grey literature, bibliographies and other resources on counter-terrorism cooperation. It covers contributions on collaborative efforts of multiple actors in the field of countering terrorism and violent extremism on international, national, and regional level. The bibliography focuses on recent publications (up to May 2025) and should not be considered as being exhaustive. The literature has been retrieved by manually browsing more than 200 core and periphery sources in the field of Terrorism Studies. Additionally, full-text as well as reference retrieval systems have been employed to broaden the search.

Keywords: bibliography, resources, literature, counter-terrorism, CT/CVE/PVE, cooperation, collaboration, coordination, alliance, assistance, partnership
